

PIPER 57N "HAVELOK"

Price : £235 000

Year : 2014

Aquarelle is pleased to present this Piper barge ideal for long term inland water cruising or for your home afloat. Built to Lloyds Grade A standard, Piper barges are extremely popular as live aboard boats and have proved their merit over the years. Havelok is very comfortable for two plus guests and has a quality specification. The unique rear deck behind the wheelhouse allows conviviality at all times and the interior fitted out in light wood gives Havelok a classy but warm finish.
